TricksterU Adventure Support Guide

TricksterU accompanies you from level 0 to level 400. From Coral to Abyss, every Item Girl can hide something useful for your adventure.

Explore every Item Girl

Different maps can offer class boxes, consumables, stat stones, fashion items, progression materials, and other surprises.

1. Early Progression Support

Starter support

Early Item Girls provide class boxes and low-level equipment options to help you begin your journey.

Stat support

As you level, later Item Girls can offer stat-related stones and other useful progression materials.

2. Mid-Game Utility and Fashion Support

Boxes and character equipment
New areas bring themed boxes and class-oriented options.

Utility and novelty items
Some shops carry useful supplies, accessories, and fun equipment.

Higher-level stock
Keep checking local shops because their stock changes from area to area.

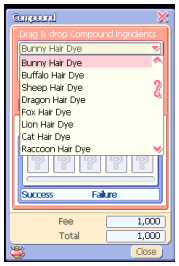

3. Utility Systems and Special Shops

4. Boss Pity System and Special Exchanges

Boss Pity System - Miranda Watty

Miranda Watty hosts the Boss Pity System. Her exchange list provides a dedicated route for obtaining boss equipment after your boss-farming efforts.

4G Cards - Shiny Equipment

4G Cards can be exchanged for Shiny Equipment. Keep the cards you collect during your adventure and use them in this special exchange.
